**Schedule 3.3: Benchmark and Adopted Rates**  
**Introduction**

**Purpose of This Schedule**

Schedule 3.3 contains the rates that will be used in Fiscal Year 2005. The Schedule contains two columns of rates. The first column labeled "Benchmark Rate" contains the rates that the Division calculated through its rate setting process. The second column labeled "Adopted Rate" contains the rates that the Division adopted for the published rate schedule and these are the rates to be used for each service when billing the Division.

**Arizona Department of Economic Security, Division of Developmental Disabilities**  
**Schedule 3.3: Benchmark and Adopted Rates**  
**Sub-Schedule 3A - Home-Based Services**

**Unit of Service**

1. The basis of payment for all Home-Based Services except for Respite, Continuous is an hourly unit of direct service time. Direct service time is the period of time spent with or on behalf of the consumer and verified by the consumer. When billing, the Qualified Vendor should round its direct service time to the nearest 15-minute increment, as illustrated in the examples below:

- If services were provided for 65 minutes, bill for 1 hour.
- If services were provided for 68 minutes, bill for 1.25 hour.
- If services were provided for 50 minutes, bill for .75 hour.

2. If the Qualified Vendor provides respite for more than 13 hours in one day, this is considered to be Respite, Continuous. One unit of Respite, Continuous equals one day (13 or more hours in a 24-hour period) of direct service time. A Qualified Vendor billing for Respite, Continuous will bill for the appropriate number of days of service and will include the actual cumulative hours of service provided on the billing document as required by the Division.

3. In no event will more than three consumers receive the same service with a single direct service staff person at the same time.

**Unit of Service for Habilitation, Individually Designed Living Arrangement**

If the Qualified Vendor provides this service with a single direct service staff person to multiple consumers at the same time, the basis of payment for each consumer will be the total direct service time divided by the total number of consumers. The rate for this service will be the per unit rate:

- If one direct service staff person provides this service for one hour of direct service time to two consumers at the same time, the Qualified Vendor shall bill the Division .5 units of service for each consumer at the published rate.
- If one direct service staff person provides this service for two hours of direct service time to two consumers at the same time, the Qualified Vendor shall bill the Division one unit of service for each consumer at the published rate.

**Arizona Department of Economic Security, Division of Developmental Disabilities**  
**Schedule 3.3: Benchmark and Adopted Rates**  
**Sub-Schedule 3B - Day Treatment Services**

**Unit of Service**

1. The basis of payment for this service is the daily ratio rate. To determine the appropriate billing rate for each day this service is provided, the Qualified Vendor shall:

- a. Divide (the total billable hours consumers attended the program in a day including hours allowed for the Adult program pursuant to item 3 below, excluding hours for behaviorally or medically intense consumers with a specially authorized rate) by (the total direct service staff hours with consumers present at the program in a day, excluding hours related to behaviorally or medically intense consumers with a specially authorized rate); and
- b. Use the resulting quotient, which is the number of consumer billable hours per direct service staff hours and can be stated as "1: (result from step a.)" staff to consumer ratio, to find the appropriate staff to consumer ratio rate on the rate schedule.

For example, if the number of hours attended by all consumers in a program plus the hours allowed for the Adult program pursuant to item 3 below (excluding behaviorally or medically intense consumers with a specially authorized rate) in a program totaled 109.75 hours for a day, and the number of behaviorally or medically intense consumers with a specially authorized rate totaled 28.25 for that day, then the calculation would be:

- Total billable consumer hours divided by total direct service staff hours =  $109.75 / 28.25 = 3.885$
- This program's ratio for this day is 1:3.885

For both consumers and direct service staff, units shall be recorded on the per consumer and per direct service staff basis, shall be expressed in terms of hours and shall be rounded to the nearest hour, as illustrated in examples below:

- If total hours for a consumer or direct service staff were equal to 3 hours and 5 minutes, round the total to 3 hours
- If total hours for a consumer or direct service staff were equal to 5 hours and 24 minutes, round the total to 5 hours
- If total hours for a consumer or direct service staff were equal to 5 hours and 30 minutes, round the total to 6 hours
- If total hours for a consumer or direct service staff were equal to 6 hours and 48 minutes, round the total to 7 hours

For Day Treatment and Training, Adult:

2. Absences do not constitute a billable unit except as provided in item 3 below. An absence factor was built into the model rates. The Division will not compensate Qualified Vendors for any absences. For example, if a consumer stays in the day program for two hours in the morning, then leaves for two hours, and then returns for three hours, and all activity takes place within the same program day, total hours for this consumer shall be equal to five. If the consumer permanently stops attending the Qualified Vendor's facility, then the Qualified Vendor shall notify the DDD Program Administrator/Manager or designee. The Qualified Vendor shall not bill the Division for vacancies.

3. Qualified Vendors that do not provide transportation for a particular consumer may include up to one hour per day if that consumer arrives after his/her scheduled arrival time on that day or if that consumer leaves before his/her scheduled departure time on that day. The calculation of the daily ratio will use the billable hours. However, if the client is absent for the entire day, the Qualified Vendor may not bill for that client. In no event shall the Qualified Vendor submit a claim for more than the number of hours authorized for that consumer.

For Day Treatment and Training, Children:

2. The Division will not compensate Qualified Vendors for any absences. For example, if a consumer stays in the day program for two hours in the morning, then leaves for two hours, and then returns for three hours, and all activity takes place within the same program day, total hours for this consumer shall be equal to five.

3. If the consumer permanently stops attending the Qualified Vendor's facility, then the Qualified Vendor shall notify the DDD Program Administrator/Manager or designee. The Qualified Vendor shall not bill the Division for vacancies.

This modified rate is authorized on a program basis and has a premium over the standard rate for this service. The Qualified Vendor shall bill the Division this modified rate only after it receives authorization from the DDD Program Administrator/Manager or designee. The general guideline for authorizing the modified rate for rural areas is that the potential client base of the program size has fewer than 20 consumers in a 40 mile radius.

1.1 The basis of payment for all Services except for Nursing, Continuous is an hourly unit of direct service time. Direct service time is the period of time spent with or on behalf of the consumer and verified by the consumer. When billing, the Qualified Vendor should round its direct service time to the nearest 15-minute increment, as illustrated in the examples below:

- If services were provided for 65 minutes, bill for 1 hour.
- If services were provided for 68 minutes, bill for 1.25 hour.
- If services were provided for 50 minutes, bill for .75 hour.

1.2 If the Qualified Vendor provides nursing for more than 16 hours in one day, this is considered to be Nursing, Continuous. One unit of Nursing, Continuous equals one day (16 or more hours in a 24-hour period) of direct service. A Qualified Vendor billing for Nursing, Continuous shall bill for the appropriate number of days of service and include the actual cumulative hours of service provided on the billing document as required by the Division. If the Qualified Vendor provides nursing for 24 hours and the same nurse provides the service and is able to sleep eight hours, this is billed as Nursing, Continuous. However, if the needs of the consumer require 24 hours of awake skilled care, then this is billed as Nursing, Short Term. Skilled hourly nursing and nursing respite may be combined. However, if the primary caregivers are out of the home for 24 hours or more, the skilled hourly nursing becomes respite and is billed as Nursing, Continuous.

**2. For Therapies:**

2.1 One unit of evaluation equals one visit for evaluation.

2.2 The basis of payment for this service other than evaluation is an hourly unit of direct service time. Direct service time is the period of time spent with or on behalf of the consumer and verified by the consumer. When billing, the Qualified Vendor should round its direct service time to the nearest 15-minute increment, as illustrated in the examples below:

- If services were provided for 65 minutes, bill for 1 hour.
- If services were provided for 68 minutes, bill for 1.25 hour.
- If services were provided for 50 minutes, bill for 0.75 hour.

3. Except for Nursing Services, in no event will more than three consumers receive the same service with a single direct service staff person at the same time.

**Arizona Department of Economic Security, Division of Developmental Disabilities**  
**Schedule 3.3: Benchmark and Adopted Rates**  
**Sub-Schedule 3E - Transportation Services**

**Rates**

1. Separate urban and rural rates and procedure codes are established for transportation services. Except for "Flat Trip Rate for Regularly Scheduled Daily Transportation," urban transports are those that originate within the Phoenix and Tucson metropolitan areas. All other transports that are not "Flat Trip Rate for Regularly Scheduled Daily Transportation" are defined as rural.
2. The "Flat Trip Rate for Regularly Scheduled Daily Transportation" rate can only be used, and shall be the only rate used, for transportation of a consumer to a day treatment program by a Qualified Vendor that is not an independent provider.
3. Separate urban and rural rates are established for the "Flat Trip Rate for Regularly Scheduled Daily Transportation." The Qualified Vendor shall bill the Division the rural rate only after it receives authorization from the DDD Program Administrator/Manager or designee. The general guideline for authorizing the rural "Flat Trip Rate for Regularly Scheduled Daily Transportation" rate for rural areas is that the potential Day Treatment and Training client base of the program size has fewer than 20 consumers in a 40 mile radius.

**Unit of Service**

1. One unit of service equals one trip per person one way, one mile of traveled distance, or 30 minutes of waiting time.
2. Mileage reimbursement is limited to loaded mileage. Loaded mileage is the distance traveled, measured in statute miles, while a consumer is on board and being transported.
